

Spring Festival Celebration

When: Thursday, April 8th @ 5:30 pm

Where: Heart To Hand School

What: Our annual Spring Festival is an opportunity to welcome and celebrate the warmth and life of the new season which is daily tickling our senses. Activities will include planting flowers, potluck, puppet show, and warm fellowship.

This year, we are asking each family to bring an individual flower in a small starter pot or peat pot for each of their children to plant during the celebration. Nothing big -- just a little something for your child to lovingly place into the earth somewhere in the Play Garden. Please also bring a transplanting tool or trowel if you have one.

A **potluck dish sign-up sheet** will be posted next week in the hallway next to the sign-in sheet.

We hope you will be able to join us for this simple evening together. For more information, please speak with Lelan.
